

**Briefly**

The Kids Carnival at the Boy Scout Camp on West Summerland Island was an exciting opportunity for Exotic and Wild Bird Rescue. At the Kids Carnival children learned the story of a mystery bird who was left on our doorstep in a paper bag. Officials thought this was a trick or it was just trash. Imagine the surprise when a little white chicken popped out of the bag, two years ago on Easter Sunday, Director Maya Totman named the little chicken Bobbie and has trained him to be comfortable with kids and families.

Anyway, Bobbie was a star performer at the Kids Carnival. The kids played with him, feeling his crown, admiring his feathers, touching his spurs and learning to be kind to all animals. Finally, Hazel Hartman, organizer of the Kids Carnival stopped by to say hello to Bobbie. Hazel had fun with Bobbie in her cart.
